

Title: Identifying Fractions (GR 1: 1.2.1)

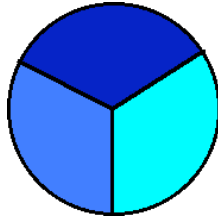

Critical Knowledge: Identify and represent the concepts of whole, halves, thirds, and fourths using concrete objects.

Activity: Use *Kidspiration* to match the circles with the corresponding fractions. Print a copy. Use a writing tool to draw/represent each fraction using a square or rectangle.

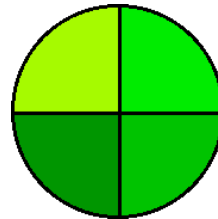

half

$\frac{1}{2}$

thirds

$\frac{1}{3}$

fourths

$\frac{1}{4}$
