

Title: Fractions (Gr 1:1.2.1)

Strand: **Number Sense and Operations**

Benchmark 1.2.1

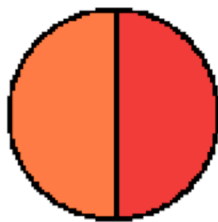

Critical Knowledge: **Identify and represent the concepts of whole, halves, thirds, and fourths using concrete objects.**

Activity: In *Kidspiration*, use the fraction circles to represent a whole, halves, thirds, and fourths. Use the color box  on the bottom of the screen to change the colors to illustrate $1/2$, $1/3$, and $1/4$.

Note: relate the $1/4$ to a "quarter" on a clock.

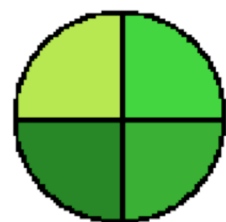

whole

halves

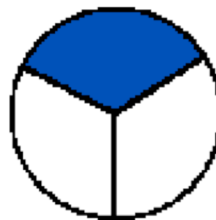

thirds

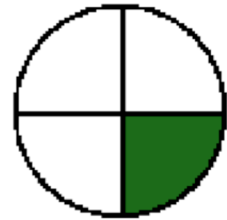

fourths

$1/2$

$1/3$

$1/4$
