

Title: Story Problems (Gr 1:1.2.3)

Strand: **Number Sense and Operations**

Benchmark 1.2.3

Critical Knowledge: **Solve problems by using basic addition and subtraction facts.**

Activity: Students work in partners. In *Kid Pix*, Student 1 uses the Wacky Paintbrush tool to create a word bubble and a character then goes to Goodies and Record Sound to record an addition or subtraction story problem. To play the sound, go to Goodies and Play Sound. Student 2 uses stamps/symbols to illustrate the problem. Switch roles and operation.

$$6 - 2 = 4$$
