

Title: Comparing Whole Numbers (GR 2: 1.2.1)

Critical Knowledge: Compare whole numbers between 0-999 using symbols (<, >, =) and words.

Activity: Use *Kidspiration* or *AppleWorks Word Processing*. Students work in partners. One types 2 numbers 0-999. The other types the <, >, or = symbol between the 2 numbers. Take turns. Type the words for each symbol.

736 > 722 greater than

58 = 58 equal

201 < 203 less than
