

Title: Creating Addition Problems (GR 2: 1.2.2)

Critical Knowledge: Create and solve problems by completing a numerical sentence involving basic facts.

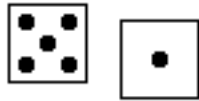

Activity: Use the Wacky Toolbrush and Dice tools in *Kid Pix* to make sets of di.
Use the Typewriter tool to type the corresponding numerical sentence.

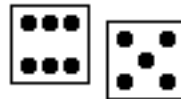

$$6+6=12$$

$$4+2=6$$

$$5+1=6$$

$$6+5=11$$
